2009 ASEAN SCHOLARSHIPS FOR INDONESIA

THE SINGAPORE SCHOOL SYSTEM

The Singapore education system aims to bring out the best in every pupil, developing sound moral values and the skills necessary to meet the demands of a rapidly changing world.

Students begin their education by entering primary school at age 6, where they spend 6 years learning basic subjects and beginning the study of English and a mother tongue language. Except for selected subjects taught in the mother tongue, English is the language of instruction in all Singapore schools. Students next proceed to the secondary level for 4 years of study to prepare for the Singapore-Cambridge General Certificate of Education "Ordinary" (GCE "O") Level (or equivalent) Examination. Those who perform well can enrol at junior colleges for 2 years of study to prepare for the Singapore-Cambridge General Certificate of Education "Advanced" (GCE "A") Level (or equivalent) Examination.

Apart from the formal school curriculum, pupils participate in co-curricular activities (CCAs) which provide healthy recreation, and instill self-discipline, teamwork and confidence in the pupils. The character development and physical growth of each child is hence provided for.

The academic year consists of 4 terms of 10 weeks each, beginning on 2nd January and ending in mid-November.

ASEAN SCHOLARSHIPS FOR INDONESIA

The Singapore Government invites nationals of Indonesia to apply for the ASEAN scholarships. The scholarship is for 4 years of studies in selected Singapore schools from Secondary Three to Pre-University Two leading to the Singapore-Cambridge GCE 'A' Level (or equivalent) Examination.
